4/13 5.25%, moderate
4/20 4.6%, low

All COVID-19 Cases by Report Week

Confirmed Probable

Probable cases

- Probable cases are those who test positive with an antigen test, not a PCR test.
- Probable cases are not included in our confirmed case totals (PCR test only).
- Cases that are confirmed with PCR tests are removed from the probable totals.

Please note: community cases only

COVID Cases: Age Groups by Report Week

Community cases only

Hospitalizations by Report Week: All COVID-19 Cases

This graph shows hospitalizations by week for COVID positive Carroll County residents, in any hospital.

- Report week is the week their case was reported, which may not be the same week they were hospitalized. Only one hospitalization is noted per person.
- There is a slight data lag so recent numbers may increase.
- Additional hospital data can be found on our website:
<https://cchd.maryland.gov/carroll-county-md-cases/>

Hospitalizations and Deaths by Age Group (years): All COVID-19 Cases

COVID-19 Deaths by Week of Death

Please note:

- This data does not include deaths in probable cases.
